The President
The White House
Washington, D. C. 20500

Dear Mr. President:

This briefing book was compiled as a deliberately simple world-at-a-glance and also as an attempt to identify the problems likely to arise over the next few months. We hope you will find it useful. Needless to say, fuller treatment of these or any other subjects is available at your request.

Respectfully,

/s/

W. E. Colby
Director
